

LA GOUVERNEMENT GÉNÉRAL
THE GOVERNOR GENERAL

MICHAËL JEAN
OTTAWA

It is a pleasure to congratulate all those celebrating the 25th anniversary of the Child Care Advocacy Association of Canada.

For 25 years, this association has fought to ensure that every family in Canada has access to affordable, quality child care. The desire to see all children given the opportunity to succeed and to grow has driven the association's members and supporters. To a large extent, the ability of our children to dream and to reach their goals depends on our decisions and actions today. In the coming years, these children will be determined to help their community thrive and will face the future with confidence, finding a way to proudly take control of their destinies. And so it is my hope that we are able to help the next generation find their way.

I wish all of you the very best as you renew your dedication to children across Canada and celebrate this milestone occasion.

Michaëlle Jean
